This festival will take place Sunday, May 1 from 9:00AM to 1:00PM in the Alumni Center on the Stanford University campus. There will be many tables with exciting mathematical activities set up. These activities will range from levels that middle school students will enjoy, to levels that will challenge the brightest high school students. We will provide snacks.

Registration is now full. We hope you can attend an event next year!

Sponsored by the desJardins/Blachman Fund, the S.D. Bechtel, Jr Foundation and
