AWARD-WINNING TEACHERS ON Teaching

Professor Leon Simon
Robert Grimmett Professor of Mathematics

“Principles and Practicalities for Honors Freshman Math”
How do people learn mathematics? That is a complex question, but in structuring an honors program we need some working hypotheses about the process. The talk will discuss such issues, as well as the more practical issues that need to be taken into account.

Thursday, April 9, 2009
noon-1:05 pm

Hartley Conference Center, Mitchell Earth Sciences Building

Brown Bag Lunch Series

Soft drinks and dessert provided.
Open to the public.
No registration required.
